As you step inside the quietly luxurious lobby of the President Hotel, it becomes apparent that you have entered a world of comfort and hospitality. Our staff is multilingual, friendly, and very helpful.

For your comfort, all 117 rooms are spacious, comfortably furnished with elegance, and air-conditioned. All rooms are equipped with television, satellite channels, direct international telephone lines, radio, and mini-bar. The hotel offers 24-hour room service, valet parking, laundry service, Internet, business center, and a conference room that is fully equipped for conference and seminars.

President Hotel is located just a few minutes from the sights and excitement of the city center, which makes the area a quite and peaceful one.

President Hotel is proud to be home of **La Terrasse** restaurant, one of the best gourmet restaurants in Cairo. La Terasse is located on the 11th floor of the hotel and therefore offers a beautiful view of the city. Our talented Chef prepares a wide choice of cuisines, including oriental and continental food. **Le bec sucre**, a French pastry-shop, is also known to be one of the best in Cairo. You can also enjoy our ground floor **coffee shop** and our cozy **sky lounge**, also located on the 11th floor.

The Cairo Cellar has always been among the most famed places in Cairo and the Middle East, especially at night time. This English bar/ restaurant is known for its exquisite drinks and meals and for its unique, warm and friendly ambiance.

President Hotel is located on the island of Zamalek, in between the two branches of the Nile river crossing Cairo. It is one of the greenest and quietest residential areas in Cairo, in which most of the foreign embassies are situated.

Within walking distance you will find the Gezira sporting Club where you can swim, play golf, tennis, squash, croquet, ride horses or just relax.

Whatever is the purpose of your stay in President Hotel, sightseeing or business, you will realize that “where you are more than a room number” is not just a slogan.
